(v 2.0)

Thank you for your interest in Determined AI, an open source project of Hewlett Packard Enterprise Company (a/k/a HPE, hereinafter the "Company"). In order to clarify the intellectual property license granted with Contributions from any person or entity, the Company must have a Contributor License Agreement ("CLA") on file that has been signed by each Contributor, indicating agreement to the license terms below. This license is for your protection as a Contributor as well as the protection of the Company and its users; it does not change your rights to use your own Contributions for any other purpose.

This version of the Agreement allows an entity (the "Corporation") to submit Contributions to the Company, to authorize Contributions submitted by its designated employees to the Company, and to grant copyright and patent licenses thereto.

If you have not already done so, please complete and sign, then scan and email a pdf file of this Agreement to determined-cla@hpe.com. Please read this document carefully before signing and keep a copy for your records.
